“ To the Family of Michael D Shute

"I am the resurrection, and the life, he that believes in me though he were dead, yet shall he live; and whosoever lives and believes in me shall never die" (John 11:25,26).

Where as it has pleased the Almighty God, to take the Soul of our beloved brother, from his earthly house to receive his eternal reward, we who remain, submit to His will.

We are in this world for a limited time and with our first breath from birth, we begin the race to completion; this is the race all must run. A few days ago Michael took his final step across the finish line to join the innumerable heavenly caravan.

As you gather to celebrate his life, his memory and the love we all shared for him; know that there is a heavenly hush in our hearts as well, as we write our final respects to his memory and legacy.

It had been many years since we had seen Michael, but he never left our mind or hearts. In fact, we were just talking about he and Denise last week; prior to us getting the news, our hearts are sadden to say the least.

As we reflect back to the days of The "Bottom Line" where Mr. & Mrs. DJ brought the house down, with the "soulful sounds" the talent, love and kindness for what and who you were to us, will always be remembered!

To Denise, Tosheena, and each family member, we extend our prayers, sincere love and deepest sympathy to you. We entrust you to the One who knows best, and always does what is right. He knows the end from the beginning and makes no mistakes.

"His memory to you is a keepsake, which will never part. God has him in safe keeping; you will always have hi in your heart".

Respectfully Submitted,

“ This loss was so sudden. It seems so surreal as I just saw you the weekend before your passing at Aunt Ora's 105th Birthday Celebration. You made me smile and laugh as always just being you! That will be my final memory of you. I have so many childhood memories of times on Villa and dancing to your music with Nicka and Deandra. You are loved by many and will truly be missed. Prayers to Aunt Ora, Denise, Sheena, Aunt Sissy (Garry) , Uncle Peter (Trina), Nicka, Deandra and the rest of my cousins and family. Love your other niece, Kewana

“ Michael Shute was a real good guy, he and I grew up in the same neighborhood. He loved music and had every album you could think of. We spent many hours partying to his music over on Villa. He was one of the best deejays in Indy and I have a video where he deejayed my wife's 40th bday party (25 years ago) to prove it.

Condolences to his family and RIH old friend.

“ Remembering how funny he was. How we use to have made up parties in the back. Just enjoying one another. My prayers are with all his family.

“ Michael always had the biggest smile (brightest eyes), and always gave me the best bear hugs!! Another uncle to me it seemed as I grew up with his niece! I pray that comfort reigns over their lives, a peace, knowing that he is better than ever before!! His kindness, goodness will rest with me forever! You will truly be missed Uncle Mike! Tanika

“ We Had some wonderful memories . One that was so special was when I got sweet potatoes out of the oven at a union meeting and they caught on fire. He came and brought Miss Ora to many of our union meetings. I went to the grocery many times and seen him and we would talk and talk. He made a phone call while I was in West Virginia to let me know that Miss Ora was in the hospital. He was like a brother to me. Gonna miss him dearly.
