“ Aburey me and the kids miss and love you a great deal. It has been very difficult on every angle for our kids but they /we all are holding on strong. You are a loving father and very thankful you spent a lot of quality time with our children. Me and the kids know you loved them and I know you know that loved you too. I am thankful to God for the blessed relationship we had together that no one would ever know but God alone. That is all that matters. Rest In Peace Aburey you will be missed.
