“ Alec, your absence will be obvious forever. You always exemplified joy. I loved your big smile and positive outlook on life. I know you hoped to make it big one day when some lyrics you wrote would blow-up!. That didn't happen down here but hopefully you can sing one of your creations in Heaven and it's a huge favorite. This is not goodbye Alec. I'll see you again a little later. In your absence I'll show your Mom big love as you always did. That's a promise. Love you Alec X! ♥♥♥
