“ *Family, you have our deepest condolences and our thoughts and prayers are with you during this time. Heather, we love you and are here for you if you need anything.*

One of my fondest memories of Angela was when she had all of us over for dinner one evening years ago. Most of us siblings were there: Me, Joanne, Yvonne, Richard, Ballard, Anthony and Peanut.

We had such a great time and you know the food was delicious because Angela was an excellent cook. I cherish that memory.

Angela you will be missed.

With sympathy and love, the Malichi's.
