“ M Edmond lit a candle in memory of Averen M Rayner

“ Averen was the man you could count on. I was his foreman for the past year and whatever task we had ahead of us, Averen would always say the same thing, “Don’t worry B you know we got this.” He was a great person to be around too, cracking jokes with the most deadpan expression, it was never hard for him to get you to smile around him. You could tell he was a great family man, the way he talked about his kids and all the things they were up to. As everyone else I know does, I miss him already. He was and is still will be a great friend, and I’ll never forget him.

“ *I met Averyn on a Jobsite and we clicked right off the back. I remember hiding his cigarettes one day from him and he was gone go buy him some more and I told him I had them and he was so cool about it. That just speaks volumes about his smooth cool demeanor I'll miss my buddy much love and save me a spot up there big homie*
