“ *Islam death is no enemy of man it is a friend to whom whence it comes it simply cuts the cord that binds the human boat to the Earth. For one is surely to find themselves where one may solve their problems best, and we are solving problems both there as well as here! Bre is the reason I went to rehab for the first time in my life, though I am still traveling the wide path she has shown me a way out. For that she shall never be forgotten! Time never was when man was not!*
