“ *My Granny. No one will EVER understand what I have learned from being raised by you after Mom passed. The Almighty created me for a certain destiny and I understand that He chooses the right individuals to bring it to pass. I see the pieces being put together now.*

*I will hold with me the values you have taught me because what you said to me is true...things and people are not always what they seem.*

*It wasn't always peaches and cream with us but it all holds purpose. With that, I will continue to move forward knowing that YOU knew I loved you the last time I saw you and I definitely KNOW you loved me. That's all that matters...that's all. I won't let them change my genetics so that your legacy lives on in these last days💕👊*
