Cornelius “Q” Gray was like a son to me him and my son were best friends. He always there for me and my son he was a very mannerable young man anytime he was around me and he loved his family and friends . He had such a warm and older spirit I use to say “Q” son I think you you think we’re the same age son and he would look at me and say “I am momma “ I love you “Q” and you will be truly missed ❤️

Family of Q thanks for sharing him with our Family, he was loved by us all to include my Mother who just recently passed. I am praying to God to give you all strength during this time and for your future days. Just look to the hills from whence cometh your help and he will give you all the strength and comfort you. Hold on to each other and don't give up on each other. The Lord knows all that you need each and everyday. My Prayers to you all, Carolyn Maxwell better known to Q as Aunt Carolyn

“*Cornelius was one of my students at IPS 69 in 2nd grade. He would walk in and say Corny G is in the house. I adored him so much. He learned how to read in my class. He will be missed.*”
