

Crystal Lynn Hubbard

October 26, 1979 - June 11, 2023

Crystal L Hubbard was born October 26, 1979 and departed this life on June 11, 2023. Crystal was born to Georgia Williams (Hubbard) and Kelvin Watson.

Crystal attended Indianapolis Public Schools. She ultimately went on to establish her own Home Cleaning Service and eventually worked as a Home Health Aide.

Anyone who knew Crystal knew her love for ALL music. She had a wonderful personality and very kind and outgoing. Crystal was friendly and loved people. She was one of those people who knew someone everywhere she went and never met a stranger. She loved to listen and offer her advice to her loved ones. Her love for people led to her decision to become an organ donor. We were notified that Crystals lungs, left kidney, liver and huge heart were gifted to others giving them a second chance in life..

Crystal loved being a grandmother to Bella and was extremely excited and looking forward to her first grandson Kyrie!

Crystal was preceded in death by her beautiful niece Hope Tomamichel who we all know Crystal loved dearly!

She leaves to cherish precious memories of her two sons Montez (Mariah)

and Quintez, one daughter Maleah, long time companion and fiancé William Gatewood and a host of others that she held near and dear to her heart and beloved family and friends!
