GN

“ Dana will be truly missed she was my first best-friend. Dana had a beautiful spirit.

I have memories of being at Dana's house as kids and Mrs. Shy Baking us pound cakes and treats.

Dana was known in grade school for hosting the best basement parties in the neighborhood. They were the real ole school parties where your parents came in and met the parents and picked their kids up on time. To this day when I hear songs by Heatwave and Brother's Johnson I think of the good old days growing up in the neighborhood on Tacoma. Your home was a staple in the neighborhood and so were you!

You will always be missed my friend!
