“ Great guy I served with David Burns at Lackand Air Force Base. What I remember most about him was his smile. Good guy always would look out for his fellow shipmates. I can't believe this great soul is gone to soon. May God Bless and touch your family my hood friend this is truly an unexpected loss.

“ Sorry to hear about David's passing. I used to babysit both he and Daniel during church at Zion Hope when they were still in Pampers. Nice person from a nice family. Loved Brother and Sister Burns like family along with all of their children. He has a lot of family in Heaven so I'm sure it's like a family reunion with his most high Father.
