

Deborha Bostic

August 11, 1951 - July 2, 2023

Deborha Ann Bostic was born August 11, 1951 in Marion, Indiana to the late Leon and Betty Gordon Greer. She confessed her love for Christ at an early age at Greater Second Baptist Church in Marion, Indiana. She graduated from Marion High School in 1968. She then moved to Indianapolis where she started her career as a Classified Ad Operator til finally working as an Administrative Assistant at The Indianapolis Star and The Indianapolis Newspaper that spanned over 39 years. Debbie, as she was known to family and friends, never met a stranger. She was quick to share what she was blessed to have and always praying for the next person to have that much more. She will be remembered for her big heart and her kindred spirit. She enjoyed spending time with her family and friends. Whether it be an evening meal at her favorite restaurant or her weekly scheduled brunch dates with an old friend, she carried on that tradition until the end. She was “krazy” about her grandkids and great grandkids. She started out as a “Gran” and ended up as a “GG”. On July 2, 2023, she peacefully passed away into the arms of Our Lord and Savior in her home.

Remaining to cherish an abundance of loving memories:

“ Deb was always such a warm, kind presence in the Features Department, from my very first day working at The Star in 1998. I adored hearing her laugh and hearing some of the conversations she would have with our readers. I will miss her smile and loving personality ❤️

“ Miss Debbie, to express the love our Friendship contained would take me a lifetime, so you telling me last Wednesday "Don't ever think I don't love you" was just enough to help me carry on! You set the bar high when it came to handling the challenges that involved being a wife, a mother, family member, and one of the most SINCERE FRIENDS I could ever hope for! You loved the Lord with all your soul and epitomized what HE expected of you as best you could! Thank you for every memory I've deposited in the canisters of my heart! Memories I will cherish until we meet again! This is a tough one, but I'm sooo glad you're resting in God's comforting and loving arms! With that said, Rest up my precious friend!
