“ *Decko, it's so hard to think I won't be able to see your contagious smile, hear your goofy laugh or listen to your soothing voice again on this earth. You were an amazing guy. So loving and caring. You were there for me when I was pregnant with Bobby, and when he went to the hospital you were right there beside me. I remember you air boxing with my brother in the backyard at my moms. All the times spent just hanging out and talking. Working together downtown. You will greatly missed. Oh I hope your dancing in the sky, i hope your singing in the angels choir, i hope the angels know what they have, i bet its so nice up in heaven since you arrived. The last song i sang to you.. it was the last song you played on your phone that i sang to the last time i saw you 2 years ago..Love you always Decko. You are my best friend and someone I cared deeply about. You will never be forgotten.*
