“ Momma, from day 1 you always made me feel loved and that I was truly your son. It was the love and consideration you showed me in the little things that had the greatest impact. In pain, you were persistent. In sickness, you were resilient. In life you were extraordinary. In death, you were forever immortalized and etched in our hearts forever. Although it is hard for us to accept right now, we realize that you are better off than you have ever been. May our actions going forward cause you to smile down on us from paradise...love always.

Your son,

Jay

“ *Classy, funny, kind. With my whole heart I loved Ms. Denise Boyd. There was never a time that I was in her company that I wasn't smiling or laughing heartily. She lit up a room from the moment she entered and never failed to say "I love you" upon leaving. I will miss everything about her. I'm so glad God knows better than we do. I know she's smiling in his eternal arms! It is not goodbye. It is, see you later!*

“ Momma, you was teaching when you didn't know you were teaching. It is often said, what you do with the dash matters. So with your dash between August 1952-February 2023, your living was not in vain. You touched so many lives and I am glad to be in that number. Love and Miss You So Much Tonia!
