“ LOVE FOREVER, Dennis and LaDana Alexander

“ When my only child passed you were here holding me up and keeping me strong. When you felt I could carry on without you, you left me only 3 months later and only GOD has seen me through losing you. You were the best husband I could've ever known. I wanted to come with you but our FATHER felt it wasn't my time. I'll be with you again when he's ready. I LOVE YOU. Rest in peace. Your wife, LaDana Alexander.
