“ I miss you so much! Most days I don't even know what to do or say to myself to get me through. I'm still trying to make sense of it all. Still doesn't even seem real. I always thought that you'd be here REAL SHIT. I never expected you to leave me like this. We're staying close to each other how you've always wanted. I hope you're proud of that. I hate that we didn't reach these levels before you left us. I guess all we can do now is try to live out your dreams and hopes and wants. I love you so much “ I am you and you are me” 6/27 to 7/11 FOREVER in my heart ❤️ ❤️ ❤️
