“ It won't feel the same Sis. Staying up late at night laughing and talking about any and everything. I wish things would've turned out differently. GOD needed you more, he makes no mistakes. I know you're in Heaven watching over all of us . Your kind ,caring, loving spirit will forever be missed. You were the strongest Soldier I've ever known. You fought and won so many battles in Life but you never gave up. I can remember times you would say I'm tired but even then you kept fighting. I know David , your children/ grandchildren, and family will miss you dearly. I'm going to miss you telling me to take some time for myself and stop working so much and let's get together because Life is short. You know I can see what you meant because now you're in Heaven and I don't get the opportunity to do those things with you . I'm so sorry Sister that I wasn't there the way you wanted. Until I see you again watch over me . I LOVE YOU 💜💜💜💜💜💜

“ It’s crazy but I feel like you owe me an explanation! 😞 Last time I talked to you, You sounded SO GOOD!! You were doing so well! You were laughing & your laughter gave me comfort & reminded me of the good o’l days, & I just knew you were coming back around to yourself. Then, without warning you just left. 😞 I know you saw the Glory of heaven & didn’t wanna come back. But you are missed, especially that laughter. Rest In Royalty 👑 Love You! ❤️

You most definitely made her Proud!👤 Last time I talked to her I was leaving Virginia. She said “Roni is There!!” I asked, she is? And she went on and boasted about you. She had so much pride in her voice about her 1st born Granddaughter. She spoke highly of you & your accomplishments in the military & topped it with the news that you had your own house. Your Maw Maw was PROUD of YOU!❤️
