

## Elizabeth Ann Dodd

February 10, 1995 - March 9, 2026

Elizabeth Ann Dodd, 31, of Indianapolis, passed away on March 9, 2026. She was born on February 10, 1995.

Elizabeth grew up in New Castle and was lovingly known by many as “Betsy Boo,” a nickname that perfectly matched her sweet and joyful personality.

She was the beloved daughter of Connie Dodd and Cindy (Ashley). Elizabeth leaves behind her loving parents, multiple siblings, nephews, cousins, and many family members who will miss her dearly.

Elizabeth was preceded in death by her beloved father, Henry, whom she adored deeply, and her brother, Terrell, who passed away on December 20, 2025. Also her grandparents Thelma Vaughn, Frances and Bill Ashley.

Elizabeth had a bright spirit that could light up any room. She loved going out to try new foods, shopping, and getting her hair done. She had a wonderful sense of humor and loved making people laugh. Music brought her so much joy, and she especially loved to sing along to her favorite songs.

Elizabeth will always be remembered for her beautiful smile, her laughter, and the love she shared so freely with everyone around her. She had a generous heart and was always willing to give whatever she had to someone who

needed it. Above all, Elizabeth loved her family with her whole heart.

Though her time here was far too short, Elizabeth's love and joyful spirit will live on in the hearts of everyone who knew her.

“ To Lizzy's precious family and friends,

*Lizzy moved through this world as a quiet blessing. Her life radiated a gentle joy—one that did not need to be loud to be deeply felt.*

*Each day, she carried with her a fullness of spirit, a kindness that flowed naturally, and a warmth that drew people close.*

*She loved her friends with an open heart, and that love became a shared language—felt in smiles, laughter, and moments of simple togetherness. To know Lizzy was to be reminded of what truly matters: connection, presence, and the beauty of being exactly who you are.*

*It was an honor to walk alongside her and to be part of her journey. I will forever hold dear the way she called me “Missy,” a small name that carried great affection and reflected the way Lizzy made everyone feel known and cherished. Her smile was contagious and her joy healing.*

*Though her time here feels far too brief, Lizzy’s spirit does not end. It lives on in the hearts she touched, in the love she gave so freely, and in the light, she leaves behind.*

*May her family, friends, and all who loved her find comfort in knowing that she was deeply seen, profoundly valued, and will always be remembered.*

*In loving memory,*

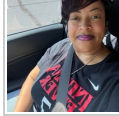

*Melissa “Missy” Sullivan, Exec. Dir. Growth and Devel.*

“ My sweet girl. My heart is so broken. You were so full of light and bliss something that this world needed more of. If the world was full of your love and kindness, it'd be a better place. You loved whole heartedly. The only thing that is even giving me a little bit of peace is knowing you're with your "daddy Henry" I know he wrapped you in his arms as soon as he was able. I love you sister ❤️

“ To the Dodd Family,  
Please accept my deepest and most heartfelt condolences during this incredibly difficult time. Lizzy was a beautiful and outgoing soul who truly loved her family and everyone around her. Even in moments when others were not kind, she carried a heart full of love and grace. Her contagious smile and welcoming spirit made a lasting impression on all who had the privilege of knowing her. Lizzy will be deeply missed, but her light, kindness, and loving nature will never be forgotten. May you find comfort in the many memories you shared and in knowing how profoundly she touched so many lives.  
With sympathy and love,
