

## Eugene Knox

May 23, 1965 - June 22, 2023

Eugene “Gut,” “Gene” Knox Sr. was born on May 23, 1965 in Indianapolis, Indiana, to the late Clarence Knox and Lorene Coleman-Knox. Both of his parents preceded him in death.

Eugene died peacefully on June 22, 2023 after a brief illness at the age of 58 years, and one month.

He professed his faith in Christ at an early age and was baptized at the Antioch Missionary Baptist Church. There he was also ordained as a Minister. He actively attended and served there on regularly.

Eugene attended the Indianapolis Public Schools, including Shortridge High School. He

participated in baseball, and basketball, at Tabernacle Presbyterian Church winning several

trophies. He enjoyed watching all sporting events, especially pay-off time.

Gene enjoyed going

to the casino for fun and relaxation. His many talents and hobbies also included playing cards,

cooking full course meals, grilling, and playing music. He was well known around Indy, as “DJ

Geno” sharing his musical talents at various events.

His one, and only son, “EJ,” was the love, and joy of his life. Gene was very supporting

and loving of his family. He was always willing to do all he could whenever asked until his

health started to fail. He was a kind hearted, respectful, generous, and always well dressed man.

He leaves to cherish his precious memories, his son, ‘E.J” Eugene Knox Jr. he helped raise

as his own daughter, Sharika Glover, a very special niece Petra Knox, five brothers, Clarence

(Jenetta) Knox, Marshall Knox, Rickey Knox, Paul Knox, and Bobby Knox, two sisters Doris

Knox, and Pam Knox as well as a host of many other relatives, friends and love ones.

“ I met Gene in the summer of 1972 or 1973. He was stuck on the fence he was climbing over at TAB. A piece of the fencing had pierced his inner thigh and it didn't seem like a good idea to attempt to get him off the fence without causing further injury to his leg. So, I called the fire department to assist and they were able to get his leg free and we bandaged him up and he stayed for his T-Ball game (for which he was two hours early for). It was the start of friendship that I've always treasured. I spent hundreds of hours with him and his associates (Leroy and Michael) at TAB. We learned alot from each other and share a bond of friendship that will last our lifetimes. I will always cherish our friendship. I send my deepest sympathy to his family. I know his spirit will live on, as it will with me.
