My sincere condolences to Lisa and all the family. Graduation came and Faye got her reward. I will miss seeing her at bingo in which she would make me laugh so hard. Gone but not forgotten ❤️🙏

“ *Lisa and the entire family please except my sincere condolences . May God give you strength and peace! Faye was my high school classmate and friend. We saw each other at a school reunion and we were truly glad to see each other! Had no idea it would be the last time. May the memories that Faye left us all last forever. Praying for the entire family. God is able get you through. Blessings Love and Prayers, Barbara Elston-Wright*

“ It’s with a heavy heart that I send my condolences to Lisa and Gail! Faye was my playmate as a child, my classmate and a good friend. We shared many a funny and laughable moment when we use to speak on the phone but mostly when she would come home for school reunions. Faye’s voice is silent but her memories will always bring a smile to everyone who knew her!!!
May God ease your sorrow and replace with beautiful and lasting memories of your Mother and Sister 🌹
