George is sadly missed by me, I met George at Wishard Hospital in 2010 and worked with him in housekeeping until 2018 of March . He was always very encouraging person, to keep your head and believe in Jesus. My prayers go out to the family of George Morton.

George will be missed dearly by so many at Eskenazi. I met George in 2018 and had the pleasure of exchanging stories and just talking about life whenever he came by. George was a kind soul and lit up any room he walked into with a smile. George was a breath of fresh air and always had a moment to hear what was on your mind. My deepest condolences to his family, may you find peace in the coming days.
