“ Sending my heartfelt condolences to the Berry family. May God comfort you and provide you with peace during your time of bereavement. Cling to the the memories. Gilbert and I Jackie (Lewis) Taylor were besties as far back as middle school and on to high school. What a gentle soul he had. June of 1980 at our high school graduation was the last time I saw him, for I left for the Military shortly afterwards. Lena and my daughter (Monique) went to school together and were close friends as well. I will keep the Berry family in prayer. May God bless you all.

“ Gilbert was a good electrician but an even better man. He worked with me when he first started out as a helper, even before he started in the apprenticeship program. We were working at Union Station running conduit behind the train cars. Gilbert caught on to all the tasks at hand quickly and worked hard. Over the years since, we would run into each other many times. It seems like many of those times were boxing events, imagine that. It was always a pleasure to see him. Now may God bless you my Brother and your family. You will not be forgotten.
