“ To the family sending all my love and prayers. My Aunt Hattie was the one who gave me my nickname when I was brought home from the hospital as a baby.

“ It is deeply saddening to learn of the passing of my strong Aunt Haddie. Remembering her resilience, and high spirit.

During this difficult time, my thoughts and prayers are with the family. The good memories that were shared with Aunt Haddie, and my cousins, will always be cherished.

May strength be found in the love of family and friends, and in the inspiring legacy Aunt Haddie leaves behind. Teresa Hurd
