“ *I still remember the day that I met you, when you lived off of East 32nd. Street. You told me that you were so happy to have finally met your granddaughter (my daughter). That was well over 38 years ago. Some of the stories that you've shared with me over the years are still stained on my brain! And now i have started to share them with my grandkids. GOD BLESS YOU, "Ms. Hazel" thank you for sharing your life stories with me!💕*
