“ To a genuine man who said what he meant and did what he said he was going to do. We lived in the same building and we both loved GOD, westerns, action packed movies, we checked on each other, and we both were on walkers. Yet it didn't stop him from walking down the hall with some snacks, fruit, or pop to see about his genuine friend he called me. Truly missing my dear friend. Missed but not forgotten.

“ My most memory of Uncle MC, was remembering him being the same Uncle MC when I met him at the age of 14. Uncle MC knew I was going to nursing school and he would send me nursing books through my dad. Uncle MC loved his family. He spoke very highly of his daughter. My uncle MC will be forgotten. However, never missed!! Tracy, KCKS. ☐
