

Isaac D Pernell

January 9, 1962 - December 22, 2023

Isaac D. Pernell, the second son of Isaac and Annie Pernell, was born the 9th of January 1962 in Prince George County, Virginia. He chose to be known by an abbreviated version of his middle name; Andre or Dre. As the son of an Army Veteran, he was initially educated in Germany. He grew up living on base and learned to speak German. By the time he entered sixth grade, the family had moved back to the United States and put down roots in Lawrence Township. As a result, he attended Craig Middle School where he played football. He then graduated from Lawrence Central High School and received an engineering scholarship to attend Purdue University. Throughout his life, Andre always loved music and cars. He played a variety of instruments from the drums to the guitar. In addition, he also loved a good party and having a good time. He was always the last one to leave a party and it was never truly a party until Dre showed up. Whenever you saw him, a pair of drum sticks, radio, or cd player was close by. His dream car was a Camero. A carpenter by trade, he worked for several companies. He also had a natural knack for “fixing”

things and became the family
and neighborhood handyman.

He leaves to cherish his memories and love for music, his parents Isaac
(Cathy) Pernell and Annie

Pernell; his brother Anthony (Janet) Pernell, Sr.; sister Angela (Mike) Trgovac;
his step-sisters Satonia

(Jonathan) Mitchell and Candace Pernell; a step-brother Marcus Pernell; his
children: Danielle (Jeffrey)

Brown, Corey Pernell, Stanley Pernell, Morgan Blackwell, Max Blackwell,
Lauren Blackwell, and Emma

Blackwell; his grandchildren: Kai, Jeffrey III, Apollo, Amir (AJ), Theo, Dionne
(Babygirl), Kali, Braxton, and

friends.
