

## Jettie Johnson

January 31, 1961 - March 5, 2026

Worked as a head nurse at Wishard Hospital, she was the devoted wife of Air Force veteran Floyd Johnson II and the loving mother of four children, Floyd III, Shana'e Stanton, Jaymi Johnson, and Janel Johnson. Daughters through marriage Kenya Fields and Dana Nash.

siblings included Carl Pickens, Patricia Jones, and Kevin Pickens Sr. She always dreamed of caring for her family in every possible way and would often feed anyone in need. Generous to the homeless, she faithfully participated in church activities and helped as many people as she could. In 2022, she became an ordained minister and started a business, Cornerstone Faith LLC, to help others and serve the Lord.

Her final wishes were for her family to come together, love one another, support each other, establish successful family businesses, and for her children to look after one another and the family home. She often smiled and laughed, even until the end, and will be deeply missed.

She is preceded in death by grandmother Elenora Jingles, father Lucious Pickens, mother Bessie Pickens, HUSBAND Floyd Johnson, Jr., in-laws Floyd Johnson Sr and Anna Murrell, and son Floyd Johnson Sr.

If she could share one message with those unsure of their path, it would be:

“You don’t know what God is capable of,” “Have faith,” and “Don’t quit.” Her spirit will forever inspire all who knew her. May she rest in peace.
