“ Jose was one of my favorite bus driver in middle school. I'm just learn that he passed away. I'm deeply devastated about this news. He would always give out chips, as a reward for good behavior. Me and my best friend have a close bond with him, i'll never forget that day me and Jose did our last race between me and his bus. He'd always win but i'll never forget how nice he was, to let me some races. I'm grateful to have a best, and favorite bus driver in the world ❤️.

“ Jose was dedicated to safe transportation of students and a hero in many hearts and minds of children and others he worked with. He'll truly be missed at First Student. Well done, Jose. Very thankful of your safe services.
