“ *To The Family of Keith, a son and friend.
I knew your son as a fine young respectful gentleman. Always polite and smiling.
You done great!
Keith was my son's friend back in Warren Woods, and remained that way a friend even after death. Keith would stop by and check on us. He'd look out for my youngest daughter, as a big brother would do.
You done great! Keith was kind and always smiling. Keith was one of my son's kings-man. Keith asked if he could be a pallbearer for his brother and friend. I loved your son as a son - because he was lovable like a son. Just like the many of his friends will be as sons for you - even for a little while. Thought I gave birth to one son 
The Lord blessed me with many. Keith was one of the many.
I hope you all will find comfort in knowing how wonderful he was.
You all done well in the raising of your son. I thank you for the loan of Keith.
I addressed him as such "Hello son!" as a returned that "Keith smile"
You done a wonderful job as parents and grandparents, and family.
My husband told me he was a dad. I'm the love of his children taught him much as well.
God's Hand of peace bring you all comfort.
You done your best and it shows. Job well done  I pray that some mother will lend you her son to hold you when you need it most. *
