“ I'm going to miss my oldest brother. From his funny dancing, to his bragging about the Indianapolis Colts while wearing his gear (mostly all at the same time). His was certainly a life well lived that went up, down, sideways, and diagonally. The good, the bad, and even the ugly never got him down. Kelvin "Wheatie" Webster will certainly be missed by me and the entire family. Your journey of illness and pain is finally over, so rest well and rest easy big brother. We love you!
