“ Hi, its been 3 years already still feels unreal. I can hear her laugh still lingering in my head. She was my dance captain, and a darn good one at that. I remember speaking to her before but I wished i would have done it more often, we could speak about anything and I know a good joke would soon follow. Hoping she resting easy up there, hope her big sister is doing okay and mom as well. Thank you for bringing a wonderful person into this world. - E.M.
