“ *She definitely had a smile that lit up the room. In her 19 years on this earth, she made quite an impact on many people. Though we can no longer hold her in our arms, we will always hold her in our hearts. Today and always, loving memories will bring peace, comfort, and strength.* ”

“ Sweet Kloe. You were one of the most wise and insightful and young ladies I had the pleasure of knowing. There were many times when you taught me more than I could have ever taught you. The world will truly miss all that you had to offer. Sleep well baby girl.

“ I have a bunch of fond memories of Kloe as we spent many "choir" moments together. 😊 I remember Kloe sharing with me when she was ready to learn to drive, what type of vehicle she wanted, and her funny sports moments. One in particular I appreciate her sharing because it was especially hilarious. I believe Kloe was playing soccer, and she was running so fast and hard that her knee knocked her tooth loose. Who could imagine such a thing?! 😭 The last time I saw her in December of 2019, we talked about hair as we were sporting similar hairstyles. Kloe was a sweet spirit who was loved and will be missed immensely. May God grant peace and comfort to her family and friends.
