“ *My Tribute to Tish*

Some hearts leave echoes long after they've gained their angel wings, and yours, Tish, is one of them. I still can't believe you're no longer here. We go back to our middle school days — all those years, all those laughs, all those moments that stitched our friendship together. You were a funny, real, true-to-the-soil kind of friend, the kind whose presence filled a room and whose spirit filled a day.

No more calls asking what time I'd be ready so we could go hang — but I hold those memories close. I'm grateful for every good, joyful, silly, unforgettable moment we shared. They're treasures now, and they always will be.

To the Bennett Family — my prayers are wrapped around you as you navigate this heartbreaking loss. May you feel her love in the quiet moments and her strength in the hardest ones.

*With love,
Tiffany Ballard*
