“ My sympathy to the Goodner family. It was my privilege to meet Marcia in the mid 90s through our philanthropic and fund raising work. Such a delightful and endearing lady. Her smile could light up the room. May she rest in peace in the arms of our Lord.

“ For a few days in April 2016, Marcia was my roommate at American Village. A memory that I have from those few days was when she learned that we were having hamburgers for lunch and that we couldn't get a slice of onion to put on our sandwiches; she directed her husband to slice up an onion they had at home a bring some in for my hamburger, as well as hers. That small kind gesture told me what kind of a person she was. Her family and friends have lost a treasure.
