

## Michelle Ann Thomas

January 21, 1956 - December 26, 2024

Michelle Ann Daniels Woods Thomas was born in Indianapolis, Indiana to Delores Ann Daniels (Spears) and her dad who preceded her in death, the late Michael W. Daniels, Sr. She was one of 2 children. Michelle was married to the late Vernon Thomas January 20, 2000. He preceded her in death November 1, 2022. To that union, one son was born, Michael \*Mikey” Thomas. Mikey loved his parents and helped take excellent care of them both. Michelle gave her life to Christ at an early age. She attended John Marshall High School. Michelle LOVED her late husband, her three sons, Brian Luster, the late, Djuan Woods, (who preceded her in death June 2024), and son, Michael Thomas, aka Mikey. She loved and was so proud of her grandchildren and family. She would do anything for you if she could. She enjoyed cooking and having family over for Sunday dinners and holidays. Michelle loved having movie nights with her grandchildren. She loved singing and had a beautiful voice. She enjoyed singing with her late husband, Vernon and dancing. She enjoyed getting her hair done every Tuesday, watching soap operas, ole school cowboy movies, history channels, and Texas Ranger. Michelle was an honest, straight up person. She would tell you the truth whether you liked it or not. A few quotes she would say: “what ain’t right, aint going turn out right.” And “everything that glitters, ain’t gold.” Michelle leaves to cherish her memory, her mother, Ms. Delores Ann Spears, son’s: Brian Luster and Michael “Mikey” Thomas. Brother, Michael W. Daniels, II. Grandchildren: A host of cousins and friends.

“ I remember when I was young my cousin Michelle would come get me and I would babysit for my younger cousins Djaun and Brian. She also would share things with me about growing up and becoming a lady (raw)...I love her and will miss her very much. I did not see her much as I got older, but I remember the conversations we would have about different life experiences I may encounter as a young lady....I love you cousin and will miss you dearly,

*Stephanie*

“ Can't stop smiling thinking about how much my Granny, your Aunt Betty loved you and couldn't wait to get to your house, so yall could fry and eat chicken and listen to the blues.

*I loved hearing the stories when you would talk about going up to Aunt Dots, or how you would go to Uncle Raymond's for the summer, you would share the memories with me and I felt like I was there with you. Cuz thank you for keeping it real with me, even though I would beg to disagree, you stood by how you felt.*

*We even spatted when I took you to your drs appointment and he said what he said, and you was stubborn and stood your ground.*

*I will always cherish every moment we had, and will keep it near and dear to my heart, I love you cuz, and now you can breathe again. Granny has her Niece/ daughter with her again, and yall up there singing the blues and laughing, rest well queen*
