“ *Dear Kenny and boys,
My heart is breaking for you but also for all who knew Misty. She was amazing as a wife, mother and educator. I wish I had some words of wisdom to comfort you, but I don't so I will continue to pray that God comforts you during this time of loss.*

“ *Misty - a fiercely loving and fabulous wife, mother, daughter, sister, cousin, niece and friend. Her grace and smile radiated warmth and a spirit of love to all she “connected” with. I am grateful for the opportunities of connection, laughter and love over the years that I was blessed to share with Misty and the Kuykendall family. I offer my love, prayers and deepest condolences to you all.*

“ To the Rosman family.
I meet Misty years ago at Arlington High School. I was the FTL of the Business Small School and she was one of our outstanding Language Arts teachers. I enjoyed visiting her class because she had such a positive relationship with her students. She made teaching and learning fun. She was small in stature but she had a big heart. Her hard work and dedication did not go unnoticed. Thank you for sharing her with us.

I wish to extend my most heartfelt sympathy to the family of Misty Roseman. Several years ago, I had the pleasure of working with Misty, and then reconnecting with her again last year at Arlington. She was a lovely and special lady who loved her family and her students. She will be sincerely missed by all.

“ I was so saddened to hear about Misty's passing. I was her instructor in the Experiential Program for Preparing School Principals at Butler University. Misty was totally dedicated to providing the best education for students. She was a perfect role model in her attitude, work ethic, compassion, and truly loving soul. I consider it an honor to have worked with her. She made my life brighter by her presence. My prayers are with her family.

“Misty’s life left a legacy that will forget live in every child and every person that she came into contact with. She was truly a “gift from God”. She lived life with a purpose- to serve, to mentor, to support, to give her all to each person that she could. For our family, Misty was another sister to me, my “big sister” and we will miss her dearly. My prayers and support goes out to her family- Kenny, AJ and Ethan, that had the blessing of loving her each and every day. Words cannot express how much she will be missed by all. With love, Ashley, Michael and Malia Ushi.

“Words cannot express the grief I feel for this entire family. My family (Davis) and the Sanders family relationships go back to the early 60's. Misti and my step-daughter Jamila were nothing short of sisters. She Zaya and DeRon were always welcome at our home. They were a part of our family. I could see the potential in Misti and she didn't disappoint. I pray for her husband, children, and entire family and pray God's healing love and grace for all that knew and loved her
