Our prayers and condolences to Normans immediate family extended family and friends who loved him well. David and I will truly miss you, the pool games, the phone calls, the visits, chances to hook up with you and Marie, your wise crack jokes about our dog Sam, who intimidates most but you always shut him down. You were a very special part of the Clay family, a Son to Mary, a Brother to David, and Uncle to Lil Dave, a Brother in law to Susan, and a Special Friend to so many in the Fellowship. Your memory will live on and be cherished always. Rest easy with God Norman. We will see you on the other side.
