“ I worked closely with Patrice at the ADA. I could not have done my job without her. She was so smart, spunky, professional - a pure joy. I am so sad that her life was cut short as I know she positively impacted everyone she met. My prayers are with your family.

“ *I was so sickened to receive this notice from my school principal today. My heart is broken. Mrs. Graham-Adams was one of my parents last year (I had Graham in my class as a fifth grader) and always was supportive and caring about what was happening with her children. There are truly no words to express my sorrow. Graham, I'm praying for you, thinking of you, and you can reach out to me if you ever need to talk. pjburking@pike.k12.in.us or 317-966-0449. Ms. Burking loves you.*
