“ I got to know uncle Donald mostly in my adult life. My father James Cooksey (Donald's brother) giving 500 race cookouts Memorial Day cookout with him coming over. We would play cards and he would let me be his partner, even though I didn't know how to play very well. As time went on I learned and I got my first Boston playing cards with him, And I don't think he cheated like my other uncles LOL
