“ Where do i start😭. Spanky was married to my sister niece for many years! Thats how long he has been our lives. Even though when it came down to the Holidays. One in Particular Thanksgiving. Me and my family one year spent that holiday with him and niece. Everyone would bring a dish. My brother in law just had to think that his Turkey was the Best most tender Turkey that was cooked that day. I happened to brought a turkey that day and boy did he roast me on how dry my turkey was😂😂😂. I laughed it off and moved on because i knew that if spanky hadnt criticized someone elses food up against his then that wasnt Spanky😂. Spanky was also my favorite brother in law. He kept us laughing whenever we were around each other because he may just say anything. And it most definitely would be something funny/ sarcastic. Boy oh Boy. God knows that im gonna miss him so much. It wont be the same without him. Rest easy Brother in law. Until we meet again❤️ Your sister in law. Carla aka. Juicy

“ I could give a lot of Spanky stories but i wont. My brother would call me early in the morning to talk about the Lord. I am going to miss those calls. He told people i was his protector but looking back on things he was actually mine. I love you and i miss you.

“ Another video ❤️

Talked to my Uncle a month ago and he laughed at the fact that I keep having babies, that I caught up with him. He was one funny character, a great dresser, and he didn't take nothing from anybody. 😊

“ One of the last pictures my dad sent me last year. We started talking about life and he wanted to come visit me, my daughter, and my wife.

I love my dad and i'm very sad about him not being able to visit us before he passed. I know he's in a better place now.
