Mr. Roland Earl Shelton was born August 14, 1963, to the late Lee Roy Shelton Sr. and Clara Belle

Jefferson Shelton, in Indianapolis, Indiana.

later rekindled his relationship with Christ.

Skates received his primary education in the Indianapolis Public School System. He attended School #22,

He went on to further his education, doing what he loved best, working on cars. He graduated top of his

From your furnace, bike repair, household installation, roof, to appliance repair, he would get the job done.

Uncle Roland or Uncle Ro Ro, as he was called by his nephew, Michael. Made a promise to his brother, Lee Jr. he would watch after his daughter and grandson. Not only did he fulfill that promise but he exceeded it.

“ My Condolences & Deepest Sympathies to my Cousin Roland's immediate family, friends & associates. It's been some time since I'd seen or interacted with most of my extended family but we've always seem to pick up where we left off. I'm sad to learn that Roland transcended. I'm glad to know that he no longer suffers & is now on his journey to be in the presence of the Holy Father. When I think of Roland I always see him at his Mothers side. I'd always see him smiling when I'd visit as she would talk about all the great things he'd accomplished & how proud she was of how smart he was. His smile was nice in the sense that he really didn't know how handsome he was. Rest easy little Cousin as I know you will hear the prayers that guide you as you complete your journey through the Golden Gates. Upon entering the welcoming will be astounding, as you were a servant & you were loved. ✨🕊️❤️🙏🕊️✨
