“ To the family of Ronna I just learned a few hours ago my good friend and co- worker at westview hospital passed away. And unfortunately I missed her funeral and my chance to say " See You Later My Friend! 🙏

❤️ " to Yolanda and Michael your mom always spoke to me about you a lot and I met both of you when she lived across from Westview Hospital or when you would come to the hospital to see her when she was working. You are in my prayers and thoughts always.
