“ *I was and still am truly blessed to be born a child of this woman. She was a true servant of the most high God and taught us all how to be the same. She made the footsteps easy to follow. Mom showed no fear in the face of adversity because of her knowledge and true faith in the Lord our God. I was very fortunate to to be taught and raised the same. I have experienced many blessings and valuable lessons as her son and I will miss her dearly. Mom I miss you like my first day at school but I know you will be there for me when I make it home. I love you mom.*
