“ To my sister,
It wasn't blood that made us family you introduced me to a life time of love & loyalty and for that I'll never forget. Tajanee you broke a lot of hearts but you left a mark on all of us it was never a dull moment. I wish I would've gotten to know you longer than 2 1/2 years but in that time you never let me forget how proud you was of me bc of the position I was in when you met me ... I'm hurt but ik anywhere is better than this place .. I just hope your okay and still turning up. I'm sorry I won't be there tomorrow to say my last goodbye to you but it's never goodbye anyway it's always see you later 🙏🏻👤❤️ Get yo rest I love you beautiful.
