

Terrell A Dodd

September 25, 1983 - December 20, 2025

Terrell Allen Dodd, 42, passed away on December 20, 2025 after an extended illness.

Terrell was a devoted father whose greatest pride and joy were his six children. Being their dad was the most important role in his life, and his love for them was constant, protective, and unconditional. He loved playing with them and teaching them about all things in life. Whether it was homework, a life lesson, or basketball, he loved doing it all. He was a very "hands-on" dad. He was also a very proud United States Army Veteran.

For twelve years, Terrell shared his life with Jennifer Beckham, his longtime partner and the mother of four of his children. Though their relationship had recently changed, the bond they built as a family remained strong. He loved her deeply and always cared for her and their children.

Terrell will be remembered for his heart, his humor, and the way he showed up for the people he loved. He always loved making people smile and laugh. His absence leaves a space that cannot be filled. His love continues to live on through his children and the many lives he touched.

He is survived by his six children, Kayden, Maeson (his best friend), Aubrielle, Kingston, Jenson, and Jennelle Dodd. Also, Jennifer Beckham and his mothers, Connie Dodd and Cindy Ashley. He had a special bond with his many siblings, cousins, and extended family, friends, especially "the brotherhood" and a special friend, Kate Logue.

“ I had the pleasure of taking care of Terrell while he was a patient in the Dialysis Unit at University Hospital. I considered him a trusted friend and always looked forward to taking care of Terrell. He was Army and I was Air Force. We shared many stories. He will be truly missed.

God Bless,
