“ *My Condolences goes out to Terrell Williams family. I am just now learning of his death today through Facebook and just in disbelief but God knows best. We last spoke to each other on January 24th and he always told me that I was a good friend and that he loved me.*

We were stationed in Germany together and he was a good friend of mine. He always had a smile and a kind word of encouragement to say even in the midst of his own troubling times in his life. I will miss him. I love you my friend!

Take your rest!
