“ So many memories of being at the Harris’ house on Thanksgiving and Christmas. As a child, I never wanted to go-but since one, they lived around the corner and two, I would end up playing dolls with McKenzie as kids-it was always a fun time. Thank you Harris family for always inviting the Larson’s to every holiday gathering and thank you Mr. Tyler for also being so inviting and also (in addition to my pawpaw) showing what a Godly man is all about. Love and prayers to the family.

“ So many memories! Our family outside of family. Father figure, big brother, advisor, counselor, protector, friend. God bless you with eternal peace. Love you! Bojack
