“ Tyrone and I were dear friends since our sophomore year in high school. His passing breaks my heart. His smile always lit up the room. We called him “Shoelaces” after Tyrone in Basketball Jones. Tyrone was an incredible athlete. He was a dominant force on the basketball court. We remained friends and did things together for several years until he left Terre Haute. Pedro Spicer, Mike Reed, Sonny and Steve Nasser along with Tyrone and I have made a lot of lifelong memories. When I see you next my brother we will greet each other with a hug and the question we all asked when we saw each other of which Pedro can share at the service. Love you my brother!! Danny Tanoos
