“ Vance was one of the kindest and most intelligent students I ever taught. Teaching him was a privilege. He was a bright light and I pray that all that loved him find God's peace and strength during this difficult time.

“ Vance was one of the smartest kids I’ve ever met. Straight A student, that was always willing to help others. His work ethic was second to none. He made a positive impact on everyone he met. He was incredibly loyal to those he loved, and would have given you the shirt off his back if you needed it. He made a big impact on my life when I had the honor of coaching him in high school. Sending prayers and condolences to anyone that loved Vance, he will be missed.
