August 2, 1947 - November 2, 2021

Veronica L. Stewart was born August 2nd, 1947 to James and Louiza Stewart of Muncie, Indiana. She graduated from Muncie Southside High School, later attending school for nursing, alongside part time modeling before marrying Kenneth J. Tyler of Richmond, Indiana. In their union, Reesa and Anitra Tyler were born and they all resided in Indianapolis, Indiana.

Veronica dedicated over 30 years of her work life to Metropolitan School District of Warren Township, she was the advocate for MSD Warren Township at the Indiana Black Expo, representing the Warren Township booth for over 10 years. After retiring in 2011 from her receptionist position at MSD Warren Township Community Center, she helped cover receptionist shifts and she was the hospitality ambassador for Warren Central football and basketball home games. She worked all kinds of events at Warren Central High School and in 2018, Veronica took brave steps to run for a seat on the MSD Warren Township school board.

Veronica strongly believed in supporting her neighborhood and church community. She was the president of her neighborhood association and was very committed to supporting her neighbors and to keeping her neighborhood clean and safe. She was a loving member of Light of the World Christian Church, she served on the usher board, and she volunteered countless hours of community service and was honored as Volunteer of the Year in 2002. As a member at New Revelation Christian Church, she was a supportive volunteer for the Church's community service events, giving back to her community and

supporting her church is something that gave her joy. Everything that Veronica was involved in, she was dedicated and committed, always giving 100% to glorify the Lord.

Veronica was saved, and she had a strong, loving personal relationship with the Lord. She loved to worship and serve her Lord and Savior, glorifying God, studying God's word and praising His Holy Name was a very important priority to her, she never let a day go by without giving God praise. Veronica was grateful to God for her family and she loved us deeply, she prayed for us daily and often sent us texts messages with scriptures and spiritual words of encouragement.

Veronica's light is left to shine through her daughters Reesa Tyler of Houston, Texas, Anitra Tyler of Indianapolis, Indiana, two granddaughters Ashley Anderson and Amaya Tyler-Edwards and three great grandchildren, Nathan White Jr., Ashton White, and Ava White. In addition, she leaves one sister, Carol Fields, whom she lovingly cared for.

“ My sister Veronica. There is so much I can say about you. Your wit your humor your tenacity for life and love of people and most of all your family. You have been a wonderful friend. The laughter you and I shared all these years here at Warren will always warm my heart. I loved that you loved the silly crazy messages I would leave you to listen to for days on end. Now you can share those fun filled laughable stories amongst the angels. You will be forever in my heart. My heart and prayers go out to your family and yes I hear you, I will keep continued prayers for your girls as you've instructed me to. “ Beautiful Veronica, how we will miss your Radiance. You made our lives rich and safe by sharing your love and wisdom of the Divine. She was such a Powerful Force spending countless hours of service for our Warren Township Community: Warren Pride Days, the Expo, Rotary Chili Cook Offs, Memorial Park Flag Days, Treefest, Will Power, school board meeting, athletic events, and the performing arts center. I cherish so very many memories, but I will always treasure the road trip to Merrillville in blizzard conditions to give our condolences to Dr. Hinckley. The road conditions were abominable, but Veronica reminded me that we were safely surrounded by God’s Hedge of Protection, and after all, she said, “we will be just fine; we have Royal Blood.” Even after Veronica retired I would pass her on 21st Street on my way into work and see her collecting trash from the roadside. (Allow me to add that she was impeccably dressed, full make up with perfect hair whilst performing this task—always elegant, Veronica). I am so honored and humbled to have shared this walk of life with you—one of God’s Masterpieces. Thank you for loving us all, my sweet friend. Like Don, I see you dancing and singing with the Angels, but still watching over all of us...

“ I can see a choir of angels and in that choir are two new members, Veronica Tyler and my wife Barbara Henley singing "Joyful, Joyful, we adore thee" to our Lord and Savior Jesus. Both truly loved our Lord. Veronica's earthly life was one of shared joy. Both worked together at Lowell Elementary in the 1980's and were an active part of MSD Warren Township schools for decades. Both retired in 2011 and both came back to serve the schools students for their remaining years. Both were instrumental in serving their community through Indy East Rotary club fundraisers too. Both served the Lord throughout their lives. Praise Him for blessing us with these two servants. We will miss you Veronica & Barb. Don Henley

“ Veronica was the positive energy every Warren patron encountered when they came to the district office. Her joyous spirit touched us all. I was proud to work with her during my eleven years as Superintendebt. Memory eternal.
